Figure.4.3.5. About Section

The screenshot shows a web browser window with the address bar displaying "127.0.0.1:5500/resume.html". The browser's taskbar at the bottom shows the Windows logo, a search bar, and several application icons. The resume form is titled "EXPERIENCE" and contains two identical sections for listing work experience. Each section has fields for Title, Company / Organization, Location, Start Date, End Date, and Description. The Start Date field for the first section is active, showing a calendar date picker for February 2024. The calendar shows the date 07-02-2024 selected. The End Date field for the first section is also active, showing a date picker with the format dd-mm-yyyy. The second section's Start Date and End Date fields are also active, showing the same format. The Description field for the first section is empty. The second section's Description field is also empty. The form is displayed on a dark background.
